

FACTORY FARMING ALTERNATIVES FOR SECURE, SUSTAINABLE FOOD SYSTEMS:

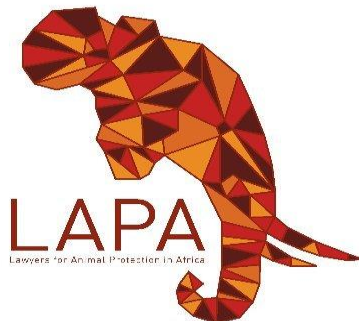

Kenya's Legal Framework And Its Implication On
The Growth Of Poultry Farming

Presented by: Judy Muriithi

Overview

- ▶ Introduction
- ▶ Current Legal status in Kenya
- ▶ Recommendations

Introduction

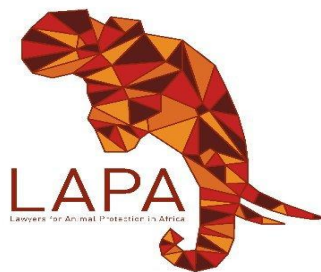

- ▶ Law should be cross-cutting and encompass the following, but not limited to:

Animal
Welfare (5
Freedoms)

Health

Environment

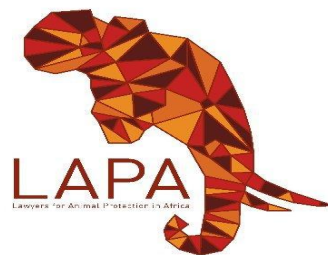

Consumer
Protection

Current legal status in Kenya

No stand alone law, however, the following can be used to complement and supplement the practices:

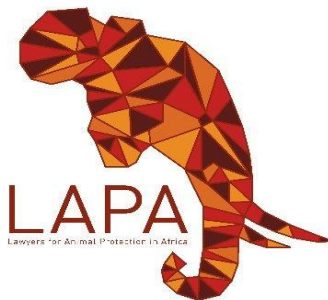

- ▶ Prevention to Cruelty to Animal Act
- ▶ Meat Control Act
- ▶ Animal Diseases Act
- ▶ Environmental Management & Coordination Act
- ▶ Veterinary Surgeons Para-Professionals Act

Legal status cont'd

In addition, there are bills yet to be made law

- ▶ Poultry Development Bill, 2012
- ▶ Animal Health Bill, 2019
- ▶ Veterinary Public Health Bill
- ▶ Kenya Draft Livestock Policy, 2019

Recommendations

- ▶ Research
- ▶ Legislation drives & reforms
- ▶ Education and Awareness
- ▶ Health and Biosecurity Measures
- ▶ Safety of Poultry Products
- ▶ Facilities and Equipment
- ▶ Trade and actions incidental to trade
