ABOUT AAWC

AAWC is an annual conference co-hosted by Africa Network for Animal Welfare (ANAW) in collaboration with United Nations Environment Programme (UNEP), African Union InterAfrican Bureau for Animal Resources (AU-IBAR) and the Government of the Country in which the Conference is held, for professionals and practitioners, coming together to discuss issues that cut across animal welfare, wildlife and environmental conservation.

Vision

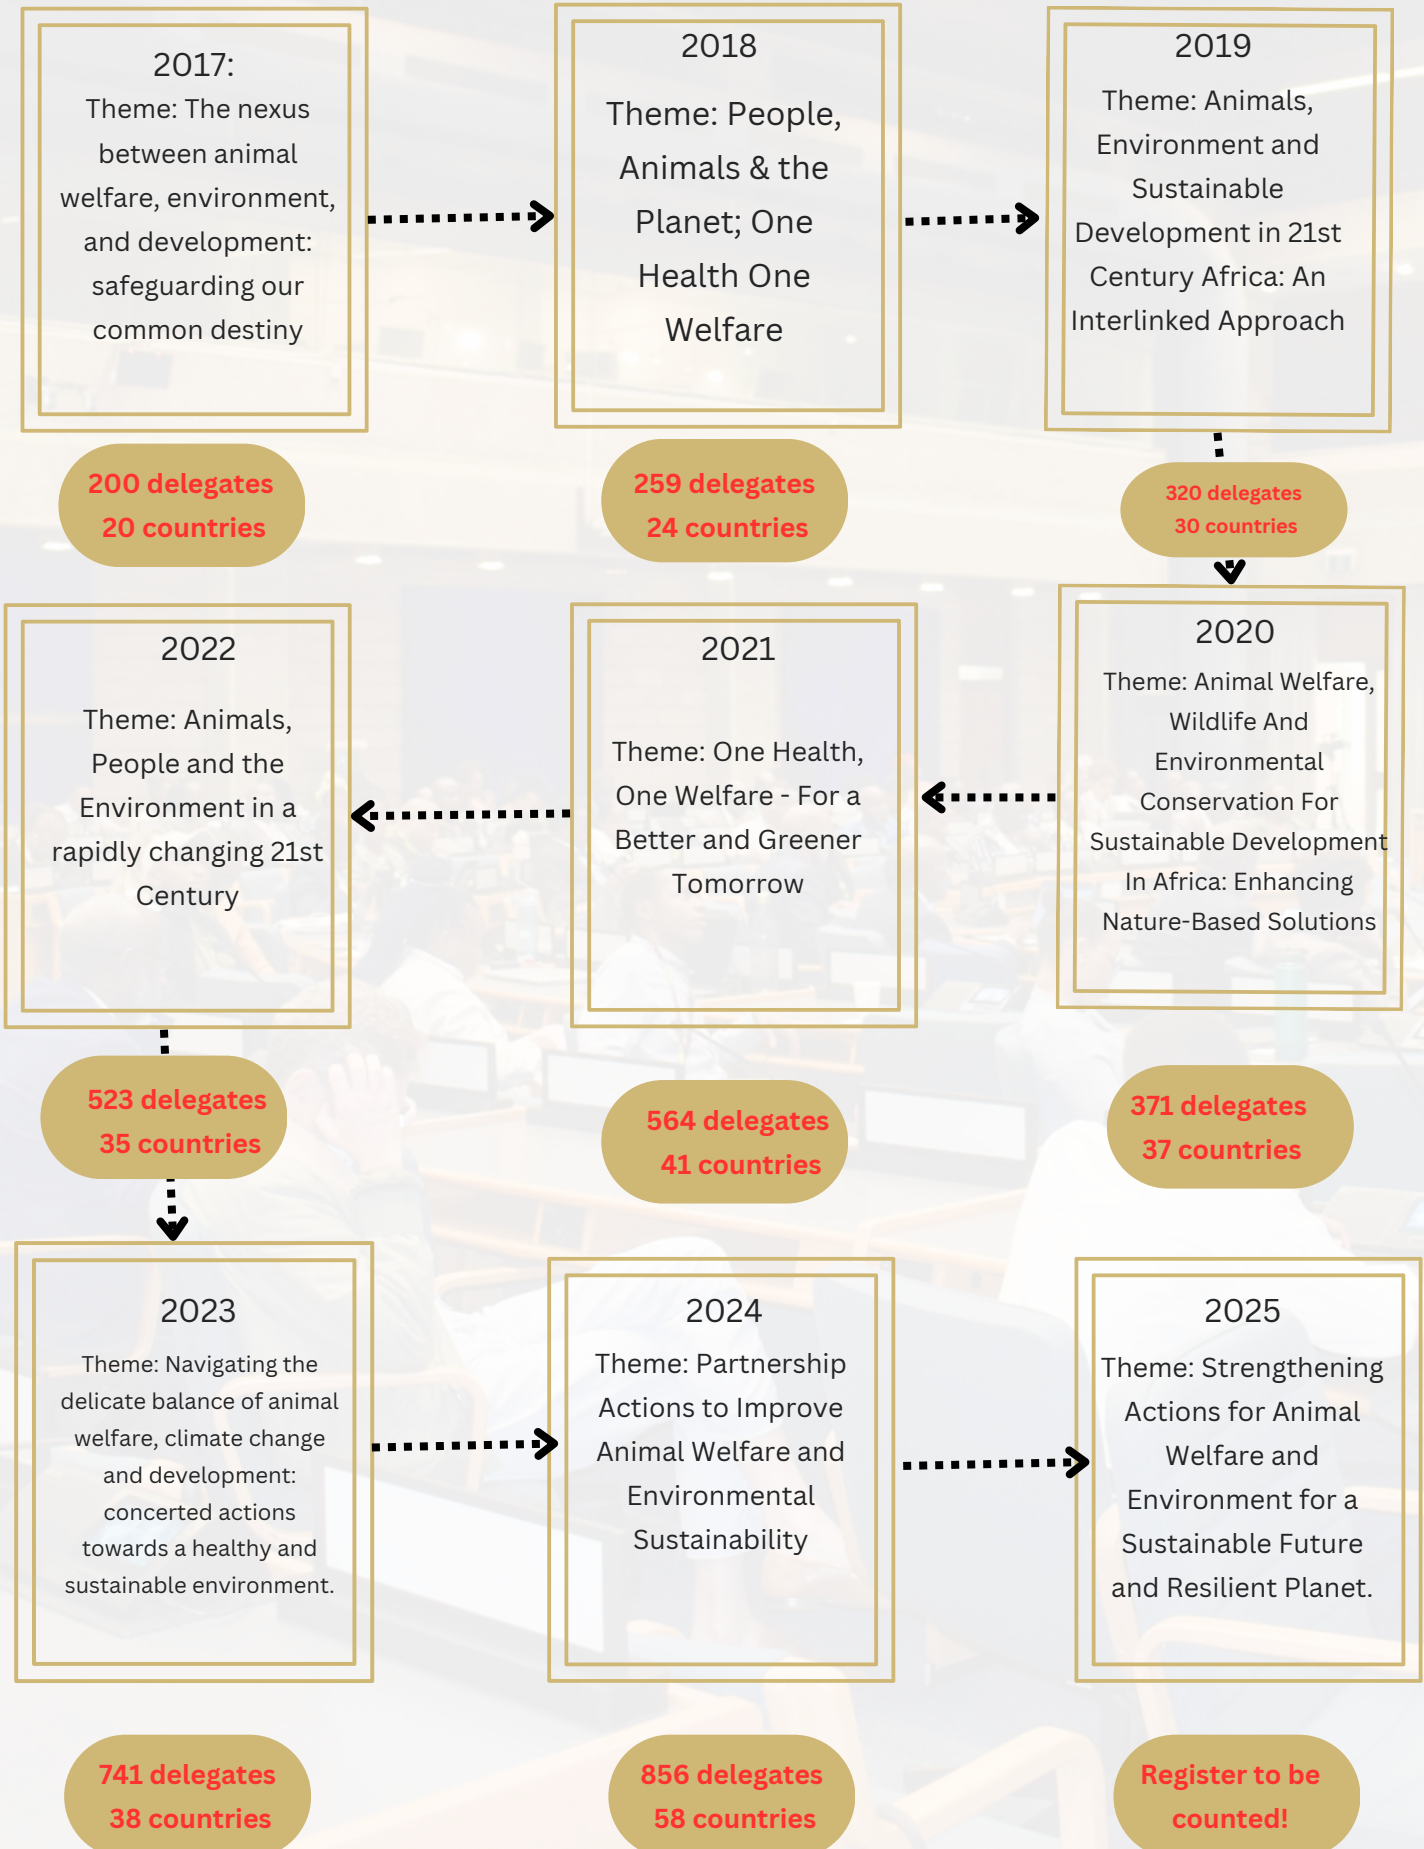

To be the premier platform for animal welfare stakeholders in Africa to engage in dialogue, learning and strategy development to address circumstances and developments in animal welfare.

Mission

To bring together animal welfare stakeholders to deliberate on critical issues affecting animals, their value and their contribution to socio-economic, environmental, humane and sustainable development in Africa.

AAWC JOURNEY

PARTICIPANTS IN AAWC-ACTION 2025

With Cameroon as the host country, the Cameroonian government will play an integral role in engaging in discussions, bringing together a dynamic and diverse group of participants, including policymakers, researchers, animal welfare advocates, government agencies, NGOs, industry leaders, and grassroots organizations from across the globe. Whether you're looking to exchange knowledge, build partnerships, or drive policy change, this conference offers an unparalleled opportunity to engage with influential voices shaping the future of animal welfare.

AAWC Nairobi 2024

A unique experience to engage with global leaders, shape impactful policies, and champion sustainable animal welfare and environmental conservation solutions across Africa.

Theme: Strengthening Actions for Animal Welfare and Environment for a Sustainable Future and Resilient Planet

The theme underscores the urgent need for a holistic approach to sustainability that prioritizes the well-being of animals, ecosystems, and communities. It aligns with global frameworks such as the United Nations Sustainable Development Goals (SDGs), the Kunming-Montreal Global Biodiversity Framework, and the African Union's Agenda 2063, all of which emphasize ecological balance, responsible consumption, and environmental justice.

The conference will have interconnected sub themes as follows:

- ↳ Sustainable Agriculture and Food Systems
- ↳ Climate Change and Animal Welfare
- ↳ Legislative and Policy Frameworks
- ↳ Biodiversity and Habitat Conservation
- ↳ Community-Based Conservation

Sponsorship packages

The conference offers four distinct partnership packages, with sponsorship options that can be customized to meet specific needs and budgets. Feel free to reach out to us to explore the best fit for you.
